HUGH S. JOHNSON,  
*Administrator for Industrial Recovery.*

WASHINGTON, D.C.,  
*July 25, 1934.*

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on the modifications to the Code of Fair Competition for the Fur Dressing and Fur Dyeing Industry, on which a public hearing was held on July 10, 1934.

The first modification will enable the majority of the members of the Code Authority Board to recommend such modifications to the Code as will be beneficial to the entire industry. This will facilitate efficient working of the Code Authority.

The second modification empowers the Administrator to suspend any action of the Code Authority to afford an opportunity for investigation of the merits of such action, and thereby assures the Administrator that all actions of the Code Authority will be to the best interest of the industry and the public.

The Deputy Administrator in his final report to me on said modifications of said code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification of said code and the code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of trade for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section 10 thereof.

(c) The modification and the code as modified are not designed to and will not permit monopolies or monopolistic practices.

(d) The modification and the code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

For these reasons this modification has been approved.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

JULY 25, 1934.

## MODIFICATION TO CODE OF FAIR COMPETITION FOR THE FUR DRESSING AND FUR DYEING INDUSTRY

1. Paragraph (c), Section 8, Article VI, be modified to read as follows:

(c) No reorganization of the Code Authority Board or reclassification of the divisions in the industry, shall be made over the dissent of any one of the divisional planning committees, except as and where the President, or the Administrator, may make such reorganization or reclassification under the law, without the assent of the parties affected.

2. A new paragraph to be known as paragraph (e), Section 8, Article VI, to read as follows:

(e) If the Administrator shall determine that any action of a Code Authority or any agency thereof may be unfair or unjust or contrary to the public interest, the Administrator may require that such action be suspended to afford an opportunity for investigation of the merits of such action and further consideration by such Code Authority or agency pending final action which shall not be effective unless the Administrator approves or unless he shall fail to disapprove after thirty days' notice to him of intention to proceed with such action in its original or modified form.
